The companies and individuals listed below have demonstrated that they produce a quality product and provide reasonable or better customer service, either to me or to friends that I trust.

Having said that, inclusion in this listing does not imply any endorsement of the company or its products. If a problem occurs, I will not get involved.
Do your own research to determine if you want to do business with anyone on this list. However, I would like any feedback, good or bad, you might offer based on your dealings with anyone on this list.
